CCB Shows Strong at the VT Amateur

Congratulations to Bryson Richards on his first Vermont Amateur Title and to all of those who represented the Country Club of Barre at the Vermont Amateur!

More than 10 CCB members qualified for the VT Amateur this year with 5 members finishing in the top 20, proving that not only is CCB one of the best courses in the state, but also one of the most talented.

In addition to Bryson taking home the title, CCB competed against nine other clubs from around the state and won the McCullough Cup by an impressive 14 strokes. Great showing, guys!

18th Green Renovation Update

The Board of Directors is pleased to announce that the 18th green replacement project has been officially approved and construction began on 7/21/2021.

During construction, and while we wait for the new green to grow in, we will be predominantly using the large practice green as a temporary par 3.

You will still be able to utilize the smaller practice green near the maintenance facility for your short game work and getting ready for play as well.

As we previously shared, the anticipated total cost for the project is around \$35,000. We have made a commitment to raise all of the necessary funds through donations, green fee surcharges, and allocation of proceeds from water sales toward the project, and to date we have raised over \$22,000!!

Fundraising efforts will continue throughout the project and beyond to ensure that the club is able to complete the project without impacting our financial resources or operating budget.

If you would like to make a donation, please contact Tom Collins, Josh Magnan, Eric Lajeunesse, or stop by the pro shop. We are also accepting donations via Venmo @CountryClub-Barre.

We thank you for your understanding over the coming months and for your continued support!

Superintendent's Corner

Two pieces of used equipment that will pay dividends right away have been added to Billy's fleet.

An 800lb electric roller for the greens will eliminate the risk of another hydraulic leak. The heavier roller helps smooth out the greens even better than the older roller, which will now become a backup.

A Workman utility cart will be used on a daily basis to not only haul the new roller around the course but also haul

material in the dump body and aid during the aerification process.

This was a much needed piece of equipment that will make completing small projects around the course much more efficient.

The 18th green project received full approval at last month's Board meeting. Initial shaping and reconstruction of the new green is now underway.

Updates will be provided throughout the project as we finally say goodbye and so long to the old 18th green! Fundraising efforts have been strong and will continue for the rest of the year. Thanks to everyone who has donated already, And thanks to everyone who has yet to donate but hasn't quite gotten around to it yet!

New Workman utility cart

Hydraulic spill on the 11th green. Our new electric roller will eliminate this possibility

Updates from the Pro

The pro shop is rolling right along this year. Several of our members have been completely fit for new golf equipment. Unfortunately, some of our vendors, PING and TaylorMade for example, are experiencing long wait times to deliver clubs. Titleist and TaylorMade have been affected by the lack of skilled employees. PING sadly lost three containers of new product from a bad storm that pushed several containers into the ocean. It has been difficult getting product. There is a national grip shortage which was also affected by the loss of containers in the ocean.

We have some new hires in our bag room: Garrett Cameron and Kyle Booth are on board. Aiden Murphy, who has been working in Florida as a golf shop assistant, has joined us in the pro shop for a few weeks to help out. Thank you to everyone who is waiting for clubs. We appreciate your patience.

One BIG Highlight from CCB. **Keith Robinson made a double eagle on hole #5 last week with a driver and a 5 iron.** Not many of those have happened here in the last few years. Please say congrats to Keith when you see him.

Tournaments have been flying right along: the Maurice Kelley was a great success, as was the Member-Member. Our first 9 & Dine of the season featured a huge turnout of 56 players on Friday night June 25th. Our first Junior Clinic was also a great success, with 16 young golfers joining Karla and me on Tuesday for some great fun. We will host these clinics every Tuesday, ages 6-10, 9:30 to 11am and ages 11-15, 11:30 to 1pm. The cost is just \$20 per session.

Looking forward to the rest of our summer at CCB!

Tournaments

have been very successful thus far this season.

There are still more great

ones to come.

Don't forget to sign up early!

Board of Directors Update

The course is in great shape and both member and greens fee play is up!

As of June 21, 6,483 rounds have been played so far at CCB, a major increase compared to last year.

Our current membership numbers are up more than 10% compared to 2020 for a total of 349 members. Greens fees and cart revenue are also up.

We have taken in \$362,000 in membership fees this year compared to being just under \$300,000 last year.

The board of directors has recently approved the purchase of a token operated ball dispenser for the range. This will allow for a "dawn to dusk" operating window while also saving on labor costs. Stay tuned for updates.

New toilets have been installed in both the men's and women's locker rooms. New stalls are also in the works but are delayed 6-8 weeks due to supply issues. The light fixtures in both locker rooms will also soon be replaced along with four windows in the pro shop.

Remembering CCB Members

Leonard David (Len/Lenny) Crouse, 78 1942 - 2021

Former member Lenny Crouse passed away on May 6. Lenny was well known and well liked at the Country Club of Barre for his warm and generous demeanor, genuine love of people and golf and self-deprecating humor. He had several regular groups and played in many club tournaments, often with Dick Kemp or with Chris Turley. He was quick with a laugh and always ready with a broad smile. He was not able to play golf in the last couple of years due to declining health, but he was always happy to see his friends and to remember the many good times. He too will be greatly missed. Our mission: To provide our membership, their families and guests with a professional golfing experience with friendly recreational and social activities while preserving the heritage of the club.

Founded in 1924, the Country Club of Barre is considered one of the “must play” courses in central Vermont. Nestled in the rolling hills of Plainfield Vermont, the Country Club of Barre offers a unique and rewarding golf experience.

You will experience not only golf at its finest, but scenic views of the beautiful Vermont landscape.

Our course is designed with all players in mind, from the beginner to the experienced, from the high handicap to the low handicap, all levels of experience will find the course challenging and rewarding.

Our pro-shop is well stocked with all of the amenities you would expect. Our PGA Professional and staff are always ready to assist you and to make your experience enjoyable.

After your round, relax and take advantage of the delicious menu and full beverage service offered at Fairways and Greens. Didn't play golf? No worries, grab the family and join us for a relaxed dinner in a comfortable and safe atmosphere. Nice day? Reserve a spot outside and enjoy the beautiful weather.
